

Dr. Natalie Noble, originally from Allegheny Township, PA, graduated from Kiski Area High School in 2002, Allegheny College with a Bachelor of Science Degree in Biology in 2006, and The New England College of Optometry in Boston in 2010. She is a 4th generation optometrist and had the unique opportunity to practice with her uncle and grandfather, Doctors Arthur G. Duppsstadt and Arthur O. Duppsstadt, in Leechburg for over five years.

Dr. Noble is a medical optometrist and enjoys treating patients of all ages. She is particularly interested in keratoconus, specialty contact lenses, and myopia control for children. When not in the office, Dr. Noble can be found on skis at Seven Springs, playing beach volleyball in the summer, and looking forward to the first day of trout season each year.
